Letter No $\frac{753}{710}$ dated 5th February 1898 from the Deputy Commissioner, Chitaldrug District, stating that Mahomed Hussain, Judicial Gumasta of the Holalkere Taluk is willing to undergo training in the Police School at Bangalore and recommending that as he belongs to one of the backward classes in respect of Education, he may be given full pay while prosecuting his studies in the Police School and that a Substitute may be entertained in the Holalkere Taluk on half pay, viz Rs 7-8-0 per month which will be an extra cost to Government

Order

I am doubtful about this. The conception enacted in Local Rule 29 entitles only Officers already in the Police. Here is a Taluk Gumasta asking to be permitted to draw full pay while undergoing training in the Police School. This is a determining case and might create an inconvenient precedent.

Yes. I am afraid also it will create an inconvenient precedent. The man evidently thinks he will be benefited by getting a training in the Police School altho he is not in the Police dept.

Order thereon.

The payment of full pay to Mahomed Hussain while prosecuting his studies in the Police School and the entertainment of a substitute for him on half pay, Rs 7-8- per month, are sanctioned as a special case.

From enquiry made in the Police Office I learn that in the case of Police Constables, no acting arrangements are made & that men who could conveniently be spared for training in the School will alone be selected.
